Opening Prayer	Deacon White				
Strategic Plan for Catholic Schools	Tonya Forbes	Feedback sought for the Diocesan <i>Faith Forward</i> plan.	Group in agreement for majority of the plan. Some concerns were raised about creating a teacher of the year award, integrating technology so that it is relevant and worthwhile, being able to effectively meet the needs of special needs populations, the additional expense of a successful marketing campaign, recruiting Latinos without parish support, and elimination of tuition discounts for families with more than one child enrolled.	Group’s concerns will be forwarded to the Diocese for consideration.	11/22/16

Preschool Conferences	Bridgette Oester	Why are preschool conferences scheduled only for the spring?	Schedule preschool conferences in the fall for four year olds so that parents are aware of their child's social skills. Spring conferences should focus on the academic areas that parents can work on over the summer so that students are ready for kindergarten. No conferences are needed for the three year olds.	Make change in conference schedule for 2017-2018 school year.	07/01/17
Preschool	Bridgette Oester	Should a 3 day option be available for four year olds? Is it possible to eliminate PIP requirements, technology fee, and fundraiser obligations for preschool parents?	A three day program should be explored and all financial obligations eliminated except for tuition.	Discuss the proposed changes with preschool staff as well as Mrs. Sadowski for the budget. Father Lavan must approve any changes.	11/30/16
